

Attention All Graduate Students & Post-Docs:

Want to improve your science communication skills and get your science out there?

If so, please join Drs. Oscar Schofield, Debashish Bhattacharya, Elizabeth Sikes, Jim Miller, and Lee Kerkhof for a workshop entitled

Deconstruct your Science to Win Friends and Influence People:

Working with funders, colleagues out of field, the public, policy makers, and K-12 audiences to share your science more broadly

When: May 11th (12 pm - 3:45pm) & May 12th (9 am -5 pm)

Where: Continuing Studies Conference Center, Cook Campus

**** Stipends for graduate student and post-doctoral participants will be provided*

Registration is required as space is limited.

Please register at <http://coseenow.net/blog/dys> by May 2nd.

For more information, please contact Carrie Ferraro at ferraro@marine.rutgers.edu

This workshop is made possible through a grant from the National Science Foundation.
